ABOUT US

White Water Marine Hardware has been in the business of innovative product design and manufacturing for over 30 years. We began as an OEM supplier for boat manufacturers and later saw the opportunity to provide manufacturing support to other OEMs and marine hardware distributors. We own and operate three factories which enables us to provide our customers with competitive pricing and top quality stainless steel marine hardware.

Many companies engage in offshore manufacturing but often receive mixed results. We successfully navigate these challenges through our family company values. Based out of Shanghai, our founder Jimmy Ma, along with his team of engineers and factory foremen directly manage all overseas operations. This level of hands-on involvement displays our level of commitment to quality products and outstanding customer service.

White Water Marine Hardware has two distribution centers in the USA. Strategically located on both the East and West Coast, this network allows us flexibility in responding to customer needs through:

- Minimized time differences (Pacific Standard Time vs. Eastern Standard Time)
- Shorter transit times and reduced freight costs
- Combined order fulfillment procedures aimed at better inventory flow

We take great pride in our ability to understand and respond to our customers' needs. White Water Marine Hardware delivers exceptional products and unmatched service. We meet our customers' expectations for consistent quality, on-time delivery and truly competitive pricing time and time again.

Thank you very much for considering White Water Marine Hardware for your hardware needs.

PRICING

Prices are effective through December 30th of the calendar year. New pricing will be available by October before the new year and will be effective January 1st.

CREDIT

Customers may apply for an open line of credit by filling out the necessary forms and pending approval. Alternatively, orders may be shipped COD or paid by credit card to avoid delay.

White Water reserves the right to revoke change or revoke credit terms contingent upon the customer's payment history. Notice will be provided to the customer of any changes in credit terms.

INVENTORY / LEAD TIME

White Water Marine Hardware will maintain certain inventory levels for our standard product line and custom products requested by the customer on White Water Marine Hardware's Custom Stock Agreement form. These products will ship either from our California or Florida warehouse location with a 1 - 5 business day lead time.

All products excluded from our standard inventory and the Custom Stock Agreement form may require up to a 60 - 90 business day lead time depending on item availability.

FREIGHT POLICY

All shipments are F.O.B. either our California or Florida Warehouse. Always inspect your incoming order for any damages or shortages and report any issues to White Water Marine Hardware within 30 days of purchase.

3RD PARTY DROP SHIP POLICY

Our drop ship program is free of handling charges. Shipping and freight charges do apply.

In order to increase efficiency and avoid losses, delays, damages, and billing issues, we will use our preferred shipping carriers and the shipping/freight charges will be added prepaid onto your invoice. Services offered are UPS, USPS, and LTL carriers. This only affects customers who request third party billing, freight collect customers are not affected.

RETAIL PACKAGING

Retailers and Distributors may purchase items in retail display packaging. Retail display packaged items are identified with a "-1" after the part number on your purchase order.

For example, if a customer would like to purchase a cup holder (part # 56228S) with shell packaging, simply put "56228S-1" on the purchase order.

Standard display packaging may consist of injection molded shells with logo inserts, shells with logo cardboard backing, and poly bags with card headers.

WARRANTY AND RETURNS

WARRANTY:

White Water Marine Hardware warrants to the original purchaser that the hardware will be free from defects in material or workmanship, under normal use and service, for (1) year after the purchase date.

This limited warranty is not applicable if the hardware is damaged by accident, improper installation, unreasonable use, lack of proper maintenance, unauthorized repair or modification, or any other causes not arising out of defects in material and/or workmanship.

Under this warranty, White Water Marine Hardware's obligations are limited to repair of the product at one of White Water Marine Hardware's plants, or replacement of the product at White Water Marine Hardware's discretion and at White Water Marine Hardware's expense. Any expenses involved in the removal, reinstallation, or transportation of the products are not covered by this warranty.

This document contains White Water Marine Hardware's only express warranty of the product. This warranty is expressly made in lieu of any other incidental or consequential costs, expenses or damages. This warranty gives the purchaser specific legal rights, and the purchaser may also have other rights which vary from state to state.

RETURNS and EXCHANGES:

All returns must have prior authorization and must be requested within 30 days of original purchase.

Returns are handled on a case-by-case basis, some returns maybe subject to a 20% restocking fee.

A Return Merchandise Authorization (RMA) number issued by White Water and a copy of the original invoice must accompany all returns. Returned items must be unused, in original packaging, with no visible damage.

Shipping costs are non-refundable with exceptions for defective or damaged product. The buyer is responsible for the return shipping costs/fees. Refunds are limited to cost of item only.

The acceptance by White Water Marine Hardware of any product(s) that a customer has returned shall not be deemed an admission of the defect/damage of said product or violation of the warranty.

DAMAGE OR LOSS DURING TRANSIT:

It is the responsibility of the carrier for damages or loss of product while in transit. In the case of such a damage or shortage, please take the following steps:

1. Please note the damage or loss with the carrier by the carrier's claims line or online form. For LTL shipments please note it on the Bill of Lading.
2. Take photo documentation for the claims process.
3. Note which items and quantities are affected.

Please send the documentations list above to White Water Marine Hardware within 3 business days of receipt for us to assist in the claims process.
