# WHITE WATER

## MARINE HARDWARE

White Water Marine Hardware has been in the business of innovative product design and manufacturing for over 35 years. We began as an OEM supplier for boat manufacturers and later saw the opportunity to provide manufacturing support to other OEMs and marine hardware distributors.

We own and operate three factories which enables us to provide our customers with competitive pricing and top quality stainless steel marine hardware.

*These brands specify White Water Marine Hardware as original components on their boats*

## ***GREAT PEOPLE PROVIDING QUALITY PARTS AND SERVICE***

White Water Marine Hardware has two distribution centers in the USA. Strategically located on both the East and West Coast, this network allows us flexibility in responding to customer needs through:

- Minimized time differences (Pacific Standard Time vs. Eastern Standard Time)
- Shorter transit times and reduced freight costs
- Combined order fulfillment procedures aimed at better inventory flow

We take great pride in our ability to understand and respond to our customers' needs. White Water Marine Hardware delivers exceptional products and unmatched service. We meet our customers' expectations for consistent quality, on-time delivery and truly competitive pricing time and time again.

Thank you very much for considering White Water Marine Hardware for your hardware needs.

## ***MATERIAL STANDARDS***

### **FABRICATION**

The marine industry standard for fabricated items is 304 Stainless. 316 Stainless is available upon request.

### **CASTING**

The marine industry standard for cast items is 316 Stainless. 316L Stainless is available upon request.

## **PRICING**

Prices are effective through December 30th of the calendar year. New pricing will be available by October before the new year and will be effective January 1st.

## **CREDIT**

Customers may apply for an open line of credit by filling out the necessary forms and pending approval. Alternatively, orders may be shipped COD or paid by credit card to avoid delay.

White Water reserves the right to revoke change or revoke credit terms contingent upon the customer's payment history. Notice will be provided to the customer of any changes in credit terms.

## **INVENTORY / LEAD TIME**

White Water Marine Hardware will maintain certain inventory levels for our standard product line and custom products requested by the customer on White Water Marine Hardware's Custom Stock Agreement form. These products will ship either from our California or Florida warehouse location with a 1 - 5 business day lead time.

All products excluded from our standard inventory and the Custom Stock Agreement form may require up to a 60 - 90 business day lead time depending on item availability.

## **CUSTOM ORDERS**

Custom parts are available provided minimum quantity requirements and sufficient lead time is provided. All custom orders are non-refundable. Custom orders require a deposit to begin manufacturing.

## **FREIGHT POLICY**

All shipments are F.O.B. either our California or Florida Warehouse. Always inspect your incoming order for any damages or shortages and report any issues to White Water Marine Hardware within 30 days of purchase.

## **3RD PARTY DROP SHIP POLICY**

Our drop ship program is free of handling charges. Shipping and freight charges do apply.

In order to increase efficiency and avoid losses, delays, damages, and billing issues, we will use our preferred shipping carriers and the shipping/freight charges will be added prepaid onto your invoice. Services offered are UPS, USPS, and LTL carriers. This only affects customers who request third party billing, freight collect customers are not affected.

## **RETAIL PACKAGING**

Retailers and Distributors may purchase items in retail display packaging. Please let your sales representative know if your account will require retail display packaging and we will mark your account accordingly in our system.

Standard display packaging may consist of injection molded shells with logo inserts, shells with logo cardboard backing, and poly bags with card headers.

## **WARRANTY AND RETURNS**

### **WARRANTY:**

White Water Marine Hardware warrants to the original purchaser that the hardware will be free from defects in material or workmanship, under normal use and service, for (1) year after the purchase date if used under normal circumstances and provided any defect(s) are not the result of: (i) installation method; (ii) customer or third-party abuse or misuse; (iii) failure to adhere to Seller's instructions; (iv) wear or deterioration due to environmental conditions except as otherwise may be specifically stated in Seller's product literature; (v) an accident; (vi) lack of proper maintenance; (vii) unauthorized repair(s), alteration(s), or modification(s); and (viii) any other causes not arising out of defects in material or workmanship. Buyer shall give written notice to Seller within 20 days of the discovery of any alleged defect within such one (1) year period.

Under this warranty, White Water Marine Hardware's obligations are limited to repair of the product at one of White Water Marine Hardware's plants, or replacement of the product at White Water Marine Hardware's discretion and at White Water Marine Hardware's expense. Any expenses involved in the removal, re-installation, or transportation of the products are not covered by this warranty.

This document contains White Water Marine Hardware's only express warranty of the product. This warranty is expressly made in lieu of any other incidental or consequential costs, expenses or damages. This warranty gives the purchaser specific legal rights, and the purchaser may also have other rights which vary from state to state.

### **RETURNS and EXCHANGES:**

All returns must have prior authorization and must be requested within 30 days of original purchase.

Returns are handled on a case-by-case basis, some returns may be subject to a 20% restocking fee.

A Return Merchandise Authorization (RMA) number issued by White Water and a copy of the original invoice must accompany all returns. Returned items must be unused, in original packaging, with no visible damage.

Shipping costs are non-refundable with exceptions for defective or damaged product. The buyer is responsible for the return shipping costs/fees. Refunds are limited to cost of item only.

The acceptance by White Water Marine Hardware of any product(s) that a customer has returned shall not be deemed an admission of the defect/damage of said product or violation of the warranty.

### **DAMAGE OR LOSS DURING TRANSIT:**

It is the responsibility of the carrier for damages or loss of product while in transit. In the case of such a damage or shortage, please take the following steps:

1. Please note the damage or loss with the carrier by the carrier's claims line or online form.  
For LTL shipments please note it on the Bill of Lading.
2. Take photo documentation for the claims process.
3. Note which items and quantities are affected.

Please send the documentations list above to White Water Marine Hardware within 3 business days of receipt for us to assist in the claims process.

## Flush Deck Hatch

The engineers at Man Ship have designed a sleek hatch option that is flush to your deck, while still enclosed in an elegant 316 stainless steel frame. Other flush hatches in the market lack this frame, and over time acrylic will warp and deform from sun exposure. With Man Ship's well-engineered design, you'll have a beautiful flush hatch that will last.

- 316 Stainless Steel Formed
- Friction Hinge option is available upon request
- Smoked Acrylic
- Watertight hatch withstanding the pressure of 5Mpa
- Developed to withstand the effects of weather such as sun exposure, temperature fluctuations, rain, etc.
- A modern hatch with an elegant stainless steel outer frame to strengthen and enclose the acrylic lens. Acrylic naturally warps under heat, but Man Ship's hatch will stand the test of time
- All stainless construction is grade Stainless Steel 316
- Custom sizes available

## CALIFORNIA PROPOSITION 65 OVERVIEW

### What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. This enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

### What does the warning look like?

 **WARNING:** Cancer and Reproductive Harm - [www.P65warnings.ca.gov](http://www.P65warnings.ca.gov)

### What does a warning mean?

The product number associated with the warning could expose individuals to one or more of the chemicals on the list.
